## DICIPLINE INFORMATION

At Landmark College, we elevate our RUSH Principles of Respect, Understanding, Safety, and Honesty. While Landmark College reserves the right to deny admission to applicants because of past misconduct, we also embrace a culture where students learn from mistakes, and we strive to balance restorative practices with the needs of our community for a safe environment conducive to learning. Please know that simply having a disciplinary or criminal violation does not necessarily disqualify a student for admission. Landmark College will involve a range of college representatives in reviewing serious disciplinary and criminal violations, such as the Title IX Coordinator, or designee. The most serious violations of our RUSH Principles include such categories as sexual harassment/assault, other person-on-person violence, hate crimes, and repeat academic integrity offences.

Applicants who fail to give complete and accurate responses to the conduct section of the admission application may be subject to denial of admission, disciplinary action, invalidation of credits or degrees earned and rescission of admission upon discovery of the misstatement or omission.

Have you ever been placed on probation, suspended, removed, dismissed, or expelled from any school or academic program since 9th grade?
