Subject: Student Leader Arrival on Campus
Date: Wednesday, January 20, 2021 8:00:14 PM

Colleagues,

Today, you may have seen some of the 22 student leaders the College welcomed back to campus to begin their training and prepping for the upcoming semester. Each of them received their day-0 test and will quarantine in their room until their test results return as is outlined in the [Spring_2021_COVID-9_PCR_Testing_Calendar-_Landmark_College.pdf](#)

More information will be provided in Friday's regular update message to faculty & staff.

Sincerely,

Michael Luciani, MBA

Vice President for Student Affairs & Dean of Campus Life
