- Colorado Adventure, Recreation and Sports Management:**
Sports and Recreation Management is one of the largest segments of the Hospitality field. This course takes full advantage of the city of Denver and surrounding foothills of the Rocky Mountains, showing you what it takes to plan and produce a wide array of recreational opportunities. You will have fun teaming up with your fellow students to successfully address issues related to safety, collaboration, cultural awareness, and environmental consciousness as you dive into the ins and outs of the industry.
- Becoming Your Own Personal Chef:**
Maybe you can already cook a little, or maybe you don't know the working end of an apple corer. Whatever level of culinary knowledge you bring to the table, this course will help increase your confidence and ability to make the most of kitchens available to you during your college years. You'll be the most sought-after roommate on campus thanks to these sessions with world-renowned JWU instructors, which will help you plan and create delicious, nutritious meals and snacks with maximum safety and efficiency from set-up to clean-up.
