Subject: 3/11/2021 Testing Updates
Date: Friday, March 12, 2021 12:00:28 PM

Good afternoon!

We continue to have **GOOD NEWS** to share about the **16 COVID-19 tests** administered on **Thursday, March 11, 2021** and an update to the [Campus Testing Schedule](#) (see details further below).

Health Services has confirmed that:

- 16 tests returned negative
- 0 tests were invalid, inconclusive, or were unable to be processed.
- 0 positive tests!

Testing Schedule Update: Based on the favorable testing results we have seen for the past three weeks, the College will now be testing the entire campus every two weeks. This adds two more testing dates to the original testing calendar, and shifts some dates. Please see the updated testing schedule here: [Health Screening and Testing | Landmark College](#).

The next all-campus testing date will be on **Wednesday, March 24, 2021**. Everyone will be able to schedule their new testing appointments for the remainder of the semester in the [CoVerified App or Web Portal](#) beginning Tuesday of next week.

Summary of Testing Results from 3/10-3/11

	Wednesday 3/10/2021	Thursday 3/11/2021	Totals
Tests administered:	496	16	512
Negative:	489	16	505
Not Processed/Invalid/Inconclusive:	7	0	7 (all re-tested)
Positive:	0	0	0

These results reflect everyone's efforts to prevent the spread of this virus and how the attention to masking, social distancing, daily health screening, and quarantine/isolation work well. Keep up the great work!

If you have any questions, please feel free to contact PublicHealth@landmark.edu

Sincerely,

Michael Luciani, MBA

Vice President for Student Affairs & Dean of Campus Life
