

RESIDENTIAL LIFE

Residential Life at Landmark College is committed to providing quality living options, programs, and services that support the academic mission of LC by promoting safety, encouraging student development, and fostering the understanding and appreciation of diversity within our community.

Each residential hall/area has its own professional staff made up of its resident dean and resident assistants who live in the hall with you. Staff are also available in your hall for support, emergency assistance, and to help create a positive and supportive community for everyone.

We offer traditional dormitory-style residences, semi-suites, and apartment-style suites and our campus living can provide you with an exciting and life-altering experience. Here you will make new friends, share experiences, and create memories that will last a lifetime.

HEALTH, COUNSELING, AND WELLNESS

Landmark College is a safe and inclusive campus. Our health, counseling, and wellness teams collaborate to help you maintain optimal physical and emotional health. This contributes to every students' overall academic and social success.

Our teams' mission is to provide a safe and healthy educational, living, and working community. By achieving and maintaining your best physical and emotional health, you become a better student and person. Our programs challenge you to look inside yourself, allowing you to figure out who you are and what you believe in. Our RUSH Core Values are respect, understanding, safety and honesty.
