➤ **Parent Night – Information Session**

Landmark College representative would present to parents providing overview of how we serve students who learn differently.

I am interested in hosting a Parent Night

➤ **Research Question**

Most colleges require an official diagnosis within three years in order to provide services: how often does your school system provide diagnostic testing?

- Every three years
- Only for an initial evaluation and eligibility.
- Never
- I don't Know

➤ **Professional Development Opportunities**

For over 25 years, the Landmark College Institute for Research and Training (LCIRT) has provided cutting-edge, relevant, and practical professional development to individuals and schools.

I would like to learn more about professional development opportunities for educators at my school or college.

➤ **Research Partnerships**

The Landmark College Institute for Research and Training (LCIRT) actively engages in discovery and applied research on issues related to diverse learners, including those with learning disabilities (such as dyslexia), attention deficit hyperactivity disorder (ADHD), and autism spectrum disorder (ASD).

I would like to learn more about opportunities for research and grant funded partnerships.
