

# LANDMARK COLLEGE

Dear Accepted Students & Families,

We know it is important to create a supportive community so you can flourish. This is just one of the ways Landmark College differs from traditional colleges. We also know that your college life experience is more than just buildings where you will live and learn. It's about the relationships, programming, connections, and support that is available to help develop your sense of belonging on campus. For that reason, we make sure our residential program (as well as our counseling, campus safety, and many other programs and services on campus) are staffed and has the resourced that can provide you with the support you need and promotes the sense of belongingness, safety, well-being and community that you are looking for during your college years.

Understanding who you are, what you value, what you stand for, and who you want to become is central to your educational experience. Here you get to bring forward and develop every strength, talent, and ambition you have within yourself; you will find your direction and develop the confidence you need to reach your goals. And, rest assured we are here to help you accomplish these goals.

Congratulations on your acceptance to Landmark. I look forward to having you as a member of our community. As a quick reminder, you can log into our online portal for information and to complete your enrollment forms at [landmark.edu/portal](https://landmark.edu/portal).

Should you or your family need assistance, please feel free to reach out to me or my staff. In the meantime, the next few pages gives a quick snapshot of our distinctive student life experience. # LC'S STUDENT AFFAIRS PROGRAM STAFFING MODEL

LC's student-to-faculty ratio is 6:1. on the premise that small class sizes are beneficial to student success. In addition, our staffing model provides more direct and individualized support to students. Our student-to-staff ratio is actually 2:1! Our student-to-Student Services staff ratio it is far lower than the national average in comparison to other colleges and universities:

	Per student ratios	
	Landmark	National Average
<b>Resident Deans</b>	80	200-1000 <sup>1</sup>
<b>Counselors</b>	88	738 <sup>2</sup>
