Alumni Continuing Ed: The Role of AI in Job Interviewing: Enhancing Recruitment for College Students and Alumni – Administration Building Auditorium.

Jeannette Landin, Professor of Professional Studies

AI is increasingly prevalent in job recruitment. Knowledge of how companies use AI tools and processes gives job candidates an advantage over less-informed candidates. Job seekers can use AI simulators to provide practice and feedback, improving interview skills. Knowledge of a company's use of AI tools as part of the hiring process can open networking opportunities and job prospects.

1:00 p.m. – 3:00 p.m.

Coffee, Cookies, and Canvas - Strauch Family Student Center, Café Court

Nicole Pacenka, Assistant Director for Housing Operations & Resident Dean
